MAKALOA VILLA

3 to 5 Bedrooms

In our most secluded location, the Makaloa Villa offers unobstructed ocean views, while nestled among gardens at the edge of the picturesque Waiakauhi Pond. Named after Hawai'i's native makaloa plant, the villa reflects the island's rich, natural essence. The spacious living and dining room features window walls that slide open to create a freeflowing indoor-outdoor environment. Within steps of the beach, you enjoy your own private pool, hot tub, outdoor dining area, daybed, firepit, and an expansive private lawn.

All the lower-level bedrooms, including the primary suite, feature walk-in closets and lavish bathrooms with outdoor lava-rock showers. An interior staircase leads upstairs to the second primary bedroom, an extra guest bedroom, and an expansive lanai offering additional outdoor living space.

Location

Entirety of Bungalow 33 in a secluded setting adjacent to Palm Grove crescent, overlooking the beach at the edge of Waiakauhi Pond.
